

Dyno Session with Meeting
Saturday; October 14, 2006; @ 8:00 am
ATR Motorsports
550 N. Chicago St.
Joliet, IL 60432
815-726-7866

Our opening fall meeting for 2006 will be at ATR Motorsports in Joliet, IL. Al Thompson and his crew has invited our Chapter's members to dyno test our cars on his equipment. The meeting will be held at lunch time between dyno pulls while the crew takes a short break. A light lunch will be provided.

These sessions continue to be very popular with members who like Buick Horsepower. Where else can you stand besides a 500 HP car strutting its stuff? We are constantly amazed at the demonstration of Buick power, as long as Steve Pitts does not break something vital.

Cost will be \$50 for 2 dyno pulls taking approximately 30 minutes per car. Please make your reservation on the CCGSCA Bulletin Board.

This will be a great session for our club members. Please bring chairs for the Event.

Directions

From East

- Take I-80 to Joliet
- Bear right on ramp at sign reading Exit 132 US-52 / IL-53 Chicago St.
- Turn north on S. Chicago St., IL-53
- Jump down to the common directions below

From North East or West (start at step 2)

- Take I-55 south to I-80 east.
- Take Exit 132B (north) US-52 / IL-53 Chicago St.

Common Directions

- Continue straight stay in right hand lane you will go under a railroad passage
- At the stop Sign "T" make a right. Follow this down.
- Continue through 7 stop lights after the "T"
- After the 7th stop light the very next street should be IRVING
- Turn left on Irving.
- Al's shop is on the right hand side of the street. (old Goodyear building)
-

Missed Turn Alternative

- If you miss the turn on Irving and you go under then underpass.
- Make a left at end of street and then in about a block another left on to Chicago.
- You will then see the shop about a block down on left hand side of street.
